Teresa stumbled into escrow in 1994 when she accepted a three day "temporary" position with an employment agency in the High Desert. After that three day period, she was offered a permanent position and accepted, not realizing it would turn into a new career.

She is currently employed as Certified Senior Escrow Officer/Branch Manager of Shamrock Escrow Services, Inc. in the Pasadena Office specializing in bulk, ABC license transfers and commercial transactions.

As a proud former student of The Business of Escrow I, II and III and other classes offered, Teresa is now excited to be part of The Business of Escrow as a Certified Escrow Instructor knowing that education is vital in this ever changing industry.

In 2012 Teresa served as the President of the Escrow Association of San Gabriel Valley.

In 2014, Teresa served as a California Escrow Association State Director and the Tri County Escrow Association President.

She currently represents Tri County Escrow Association as a State Director. In addition, Teresa serves on the Executive Board of the California Escrow Association as the Professional Designation Chair.
